

September 05, 2012

Attention: William Allen
Project Manager Licensing Branch
Division of Spent Fuel Storage and Transportation
Office of Nuclear Material Safety and Safeguards
US Nuclear Regulatory Commission
Washington DC 20555-0001

Docket No. 71-9337
TAC No. L24639

Subject: Response to Request for Additional Information Dated August 7, 2012

Dear Chris Allen

This letter transmits Revision 4 of the Safkeg-LS 3979A SARP. The LS SARP has been revised in response to issues raised by the NRC from their Request for Additional Information dated August 7, 2012.

The document CTR 2012/10, SAFKEG LS Response Matrix to the First Request for Additional Information (RAI) from the Nuclear Regulatory Commission, is transmitted. This document discusses all the changes made to the SARP in response to the NRC request.

The above referenced documents have been sent together with revised licensing drawings which are marked as Proprietary Information submitted under 10 CFR 2.390, to be withheld from public disclosure under 10 CFR 2.390 and an affidavit containing a full statement of the reasons that the proprietary information should be withheld from the public, pursuant to the requirements of 10 CFR 2.390.

If you require clarification on any aspects of our application please contact:
