re: Termination of Byproduct Material License, Number 37-28246-01  
Health Physics Associates, Inc., Docket Number 030-30694

Gentlemen:

This is a request for a termination of our byproduct material license referenced above.

With the increased number of agreement states, we only have one licensee in a non-agreement state and we are named on their license. All sources are licensed under the PA DEP license, number PA-58.

Should there be any questions regarding the application, please contact me at (610) 756-4153.

Sincerely,

*A LaMastra*
