Questions regarding Financial Assurance

**(NOTE: This will be used as the  
Documents Title in ADAMS)**

08/27/12 (11:00) Ms. Kovats left a message that she had some questions regarding our request for information concerning the financial assurance instruments of the licensee. 8/28/12 (11:20) I returned Ms. Kovat's call and answered her questions. (1) A Decommissioning Funding Plan needs to be submitted every three years beginning on December 17, 2012. So, if the plan was last submitted in January 2010, it would need to be submitted in January 2013. This is in addition to when the licensee is renewing its license or when the licensee wants to lower its commitment for financial assurance. (2) She wanted an extension beyond the September 1<sup>st</sup> deadline for the submittal of the Self-Guarantee and the Standby Trust Agreement. I stated that I could grant that but would want to know her expected time line in submitting the documents. She stated that the documents would probably be ready by mid-September. (3) Regarding release of the Escrow Account monies, a statement would be placed in the letter affirming the new instruments which would release the Escrow Account. If Ms. Kovats required additional information, I stated that she could contact me.
