1. Dr. John P. Stella is currently approved as an authorized user; however, in your NRC Form 313 for license renewal dated March 1, 2012, he was not included in the list of additional authorized users.

Please clarify this discrepancy.

2. Please give me the contact information (office phone number, fax number, and email address) for your new Radiation Safety Officer (RSO), Dr. Chakri Inampudi.
3. Please note that on Att. 9.2 Fire Exit Plan and Shielding Plan, it is annotated as 1751 E. Garner Way; whereas, your license, Item 3, and Att. 9.2 Nuclear Medicine, PET Scanning area, and PET Scanning area shielding, of your March 1, 2012, renewal application specifies 1751 E. Gardner Way.

Please correct Att. 9.2 drawings, as appropriate.

4. Please note that in Item #10.A. of your renewal application dated March 1, 2012, NUREG-1556, Volume 9, Revision 1 has been superseded by NUREG-1556, Volume 9, Revision 2, dated January 2008. (Please go to the following link – <http://www.nrc.gov/reading-rm/doc-collections/nuregs/staff/sr1556/v9/r2/>).

Please correct this reference appropriately.
