Dear Mr. Hampton:

You recently submitted a Decommissioning Funding Plan (DFP) and self-guarantee (SG) dated June 4, 2012, to demonstrate your financial assurance for decommissioning activities required by your NRC license. These documents are currently under review by our staff. Additionally, you previously provided a SG dated April 7, 2007, and a DFP dated March 24, 2008, to the NRC, which we have not taken any final action on. Since you provided revised financial assurance dated June 12, 2012, and these documents are currently under review, we have cancelled the previously submitted documents and are returning them to you.

Enclosed you will find your SG dated April 30, 2007 and DFP dated March 24, 2008, which have been cancelled.

If you have any questions or require clarification on any of the information stated above, please contact Jennifer Bishop of my staff at 630-829-9607.

In accordance with Title 10 of the Code of Federal Regulations 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.
