UFTR Operating License R-56, Docket 50-83

Subject: **Supplemental Submittal of UFTR SOP-F.10 in Support of License
Amendment Request 27**

NOTICE: When separated from Safeguards Information designated as Safeguards Information – Modified Handling attachment, this document is decontrolled provided the transmittal document does not otherwise warrant protection from unauthorized disclosure.

Please find attached the revised proposed UFTR security procedure SOP-F.10, Background Investigations. The attached revision incorporates changes necessary to implement the new requirements of 10 CFR 73.57. These changes include revision of Section 3 purpose statements, addition of two statements to Section 4, and addition of two references to Section 5. Please substitute the attached SOP-F.10 document labeled Rev 2, 08/12 for the SOP-F.10 document labeled Rev 2, 07/12 transmitted by letter dated July 26, 2012.

The attached proposed security procedure has been reviewed and approved by UFTR management and by Executive Committee of the Reactor Safety Review Subcommittee.

We appreciate your continued consideration of this amendment. Please let us know if you need further information.

I declare under penalty of perjury that the foregoing and attached are true and correct to my knowledge.

Executed on August 31, 2012.
