UFTR Operating License R-56, Docket 50-83

Subject: **Security Plan Changes Performed Under 10 CFR 50.54(p)**

NOTICE: When separated from Safeguards Information designated as Safeguards Information – Modified Handling attachment, this document is decontrolled provided the transmittal document does not otherwise warrant protection from unauthorized disclosure.

As a corrective action following Event Notification 47979, the UFTR has revised its Security Plan and associated Security Response procedures.

These revisions have been reviewed and approved by UFTR management and by the Executive Committee of the Reactor Safety Review Subcommittee.

The changes have been evaluated for impact on security effectiveness as described in Attachment 1. The evaluation concludes that no loss of security effectiveness results from these changes.

I declare under penalty of perjury that the foregoing and attached are true and correct to my knowledge.

Executed on August 31, 2012.
