UFTR Operating License R-56, Docket 50-83

Subject: Withdrawal of License Amendment Request – Digital Control System Upgrade

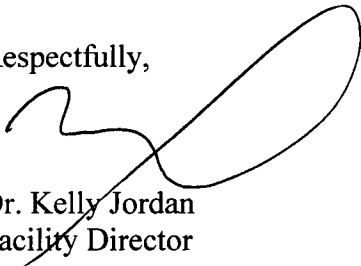

Based on our limited resources and the proposed revisions to NUREG-1537, the UFTR has determined that its proposed Digital Control System Upgrade project is no longer feasible.

The UFTR is hereby withdrawing its request for the Digital Control System Upgrade license amendment. A new request may be submitted at a future date.

This submittal has been reviewed and approved by UFTR management and by the Executive Committee of the Reactor Safety Review Subcommittee.

There are no regulatory commitments contained in this letter. Please let us know if you need further information.

Respectfully,

Dr. Kelly Jordan
