Subject: Close Indian Point

Dear Sir/Madam,

The only way I can live comfortably in Northern Westchester is to go into denial about Indian Point being a terrorist target. But denial lasts for only a short time. Then reality hits and I become desperate for a way to escape. I used to live in the shadow of the World Trade Center. Then 9/11 happened. For me, disaster is a reality. I wish you would close Indian Point because it is a disaster waiting to happen. Thank you.

Sincerely,
Susan Best
