Ms. Wilkins:

Following are two additional references that should be included on the "Summary of Incidents Substantiating Basis for Sierra Club Iowa Chapter 2.206 Petition Regarding Fort Calhoun Station." These relate to the June 7, 2011 catastrophic fire at Fort Calhoun.

- 3/12/12 NRC Special Inspection Report (inspection conducted 2/29/12), ML12072A128.
- 5/24/12 Letter from David J. Bannister, OPPD, to NRC, ML12146A163.

Thank you for distributing this information to all members of the Petition Review Board. I request that these documents be made a part of the record in this case.

Respectfully,  
Lynn Moorer
