**Subject:** Indian Point

Dear Fellow Citizens -

I'm writing about my desire to have the Indian Point Nuclear facility closed down. Please imagine a scenario where all 'safe' systems fail and we are left with a meltdown situation. On that possibility alone, this plant ought to be shut down. We all have the experience of watching a horrific disaster from afar with both Fukushima and Chernobyl. Let's prevent this from happening in the Hudson Valley. T  
Thank you-  
M Leary
