To: Docket, Hearing; Siarnacki, Anne
Subject: Indian point

I strongly urge the closing of Indian Pt. It is clearly putting thousands of people at risk unnecessarily; the evacuation plan for such a populated area is extremely insufficient, and NY doesn't need the power from this plant. NY needs to move forward to making use of the plethora of alternative energy sources which over time offer safer and more reliable power.

Please act with the future in mind!

Thank u so much for considering all of us,
