

**Docket, Hearing**

---

**From:** Claudine Cremer [cpcremer@frontier.com]  
**Sent:** Wednesday, September 12, 2012 11:03 PM  
**To:** Docket, Hearing  
**Subject:** Relicensing of Indian Point

As a citizen concerned about the hazards of nuclear power production, I urge you not to re-license the plants at Indian Point. Have we learned nothing from the disaster at the Fukushima meltdowns in Japan?

Do the right thing and please do not re-license these plants.
