Docket, Hearing

From: Craig Lucas [craiglucas@me.com]
Sent: Wednesday, September 12, 2012 10:47 PM
To: Docket, Hearing
Subject: Please God

Close Indian Point Power plant before there is a catastrophic accident. We are begging you. We don't need it. We live underneath it. Our lives should matter more than saving \$\$\$ and the lobbyists' pressures. You are risking millions of human lives. If people die, you will be responsible.

Respectfully,

Craig Lucas
Putnam County resident

DOCKETED
USNRC

September 13, 2012 (8:00 a.m.)
