Subject: Acknowledge Receipt of the Revised FNMC Plan Dated August 30, 2012
Date: Monday, September 17, 2012 9:51:00 AM

Gerry,

I received your revised Fundamental Nuclear Material Control Plan dated August 30, 2012. An NRC review will be performed and any fees associated with this review will be charged to TAC number TAC L33237. If you have any questions, please contact me.
