SUBJECT

Failure to pay Annual Fees

SUMMARY

This was a special inspection to determine that the licensee had secured all radioactive materials. The licensee had an NRC Order issued to them for failure to pay the required Annual Fees. The licensee provided documentations that show, it is in compliance with the established payment plan, therefore the licensee did not have to secure the radioactive materials. The inspector visited the licensee's office on 07/25 and 07/26.
