Subject: Indian Point

My name is Brooke Evans, citizen of Monroe, NY.
Please have the courage and integrity to do what you know is right for the health and safety of us all and finally close Indian Point.
Unfortunately it took a nuclear disaster in Japan for that country to make a non-nuclear energy commitment.
Please don't wait for the worst to happen here before you summon the leadership to right this wrong. START HERE AND THE REST WILL FOLLOW.
Please think honestly about what is at stake.
Thank you,
Brooke Evans
