From: Glen Palmer RPh.
PharmaLogic WV – Bridgeport, WV
Subject - Control No. - 577444 (License number - 47-25375-01MD)

Dear Elizabeth,

In response to Control No. 577444, requesting additional information concerning our license renewal, I have prepared the following response.

1. I would like to confirm that as Amendment 18 made effective Teresa Tribe will in fact be continuing on as the RSO on this license
2. Please see the Attachments of the both WV Pharmacy Licenses both effective July 1, 2012
3. Our air monitoring system which runs continuously(24hrs./day) includes 2 Dwyer Air Flow Gauges Model RMB-53D-55V, they will be calibrated annually, last completed 01/10/2012, using - Instrument: Dwyer Mass Flow Meter SN: G68867-1 (Calibrated 8/24/11)
4. We confirm that "you agree to affix the required labels to all "transport radiation shields" and each container used to hold the radioactive drugs (per item 10.11 of Appendix D, NUREG-1556, Vol. 13, Rev. 1). I have included samples for your review.

If there is any other information that is required for your review to continue please do not hesitate to contact me and thank you in advance for your attention to this matter.

Sincerely,

Glen Palmer PharmaLogic WV
work - 304-842-0935 cell - 304-669-1992
