Subject: Waiver Approval Process

Hi Susan,

Once you and Dan Dorman review the waiver and give us your comments/changes, Lorna and I believe only the waiver should be sent electronically (from you if you prefer) to the appropriate persons in ADM, OGC and OCFO for any comments and changes - FYI, we are currently confirming the individuals from ADM, OGC and OCFO who should be sent the waiver for comments. Once we incorporate all changes agreed on, Eric should then review the entire package (memo/waiver) and once Eric concurs, the entire package can be sent through for official concurrence to the appropriate offices (ADM, OGC, OCFO) and then finally to the EDO for signature.

Thanks and let us know if you have any thoughts regarding the above process.

Liz

Subject: Waiver Memo

Hi Susan,

Per our meeting today, I spoke to Renee Taylor, EDO Administrative Assistant, and she informed me that NRR would indeed draft the waiver memo for Bill's signature. The package will go through the EDO Mailroom and if there are any significant changes to be made, they will send back to us and if there are only small changes, they will choose to make them or not.

Thanks,
Liz
