Subject: ACTION re: OMB M-12-12 Memo and Waiver in ADAMS Today

Importance: High

Hi Toye,

An important memo and waiver Lorna and I have been working on re: OMB's memo has to go out today for parallel concurrence and I am making final changes now. I will send you the document after it is complete this morning and would really appreciate it if you could put it into ADAMS at your earliest convenience so we can assign it an ML Number, etc. and get it ready for distribution. If you are not able to work on this when we send it to you, can you please give it to Crystal? We would greatly appreciate your help and please confirm if you or Crystal will have the time to assist with this

Thanks so much!.

Liz
