See below. I agree with Brett and Jennifer's comment.

I think the memo should also include how much the RIC costs. It only states it exceeds the threshold requiring a waiver. J

Brian,

My only comment on the memo is that the first line should indicate what the waiver is from. For example,

*"The purpose of this memorandum is to request a waiver from the Office of Management and Budget (OMB) Memorandum M-12-12 for the NRC's annual Regulatory Information Conference (RIC) being held in 2013."*

The 2<sup>nd</sup> paragraph would then continue:

*"OMB Memorandum M-12-12, issued to executive departments and agencies on May 11, 2012, entitled, ...."*

Hello Brian,

The EDO green ticket attached tasked NRR to prepare a waiver for the Chairman's approval for RIC 2013. For your review/comment, attached is the waiver and transmittal memo signed by the EDO. Hyperlinked within the waiver is a letter from Tony Pietrangelo, NEI supporting the RIC.

We are coordinating with staff from NRR (Susan Abraham, Dan Dorman), ADM (James Corbett), OGC (Mark Maxim), CFO (Jennifer Golder) and OEDO (Clare Kasputys), and anticipate sending the waiver w/NEI letter (ADAMS version) through all offices for parallel concurrence later today. We are requesting parallel concurrence by Monday, June 18, 2012. Once all concurrences have been received (and any

comments are incorporated), the final package will be provided to Eric/yourself for final concurrence before delivery to the EDO's office by the due date of 6/22/2012.

Please let me know if you have any questions on this. Otherwise, you should see the parallel concurrence package before COB today.

Thanx Brian,
