My staff and I have reviewed. I left you a message. I want to discuss slightly different wording on the waiver. In particular, the statement about the 5 minute walk is inconsistent with the prior sole source justification. I suggest that we change a few words to emphasize close proximity versus walking distance.

Good Morning All,

This is a friendly reminder that we are seeking your concurrence on the attached waiver for RIC 2013. We have received comments/concurrence from RES which have been incorporated in the attached version, and have requested review/comment by the technical editors (QTE) as well. The ADAMS ML numbers are as follows:

PK: ML12166A129
Memo: ML12165A590
Encl: ML12157A083

The EDO green ticket is due this Friday, 6/22/2012, so we are requesting comments/concurrence from all offices by today please so as to allow ample time for suggested changes to be incorporated into the final memo/waiver.

Thanx so much,
