Shawn,

As an FYI- here is the current draft of the options that we are creating for Jennifer's consideration. Please let me know what you think if you have the chance.

Also, as an additional FYI- I am arranging a call for Jennifer to call Susan Pickering to try to express the importance of SOARCA. I think the call is going to take place tomorrow. Please call me today if you would like to talk about this (The only reason I am aware of this call is because I was asked to schedule it)

Thanks,
Richard
