The ADAMS title of that ML# says it's the DEDO briefing... I believe they were virtually identical presentations...

Jon,

Those were the slides for the Commission TAs...was there a separate DEDO slide package/briefing on SOARCA in general?

Jon,

Can we grab lunch at 12:00? I have a meeting at until then. I'll swing by your cube. Also, do you have a copy of the last DEDO briefing slides?

Thanks,
