Re. Spanish Language Witness

Dear Judges:

As the Board prepares to hold a pre-hearing status teleconference on Monday, September 24, Clearwater would like to reiterate that we intend to present a witness whose primary language is Spanish to support our environmental justice contention (CW-EC-3A). To facilitate this witness's oral testimony we respectfully request that interpretation services be provided. I have spoken with Counsel for the Applicant and Staff, who expressed no objection to discussing this issue at the upcoming pre-hearing conference call.

Respectfully,

Signed (electronically) by
