Hello,

Could you please let me know which project Rosemary is referring to? Also, could you put me in contact with the contract PM?

Thanks,  
Richard

Please chat with Rosemary Hogan sometime next week regarding her email for some funding. I don't know what contract she is referring to. I assume she's asking because we have Howard doing the SRV work for us?

Can I have ~\$150K to \$300K (not sure the exact amount) for SOARCA? The contract is more than we budgeted.
