Richard – We really don't have any specified regional staff to invite to the Comm Team. Our real link to the regions has been through the deputy regional administrators (via the steering committee) and thru NRR (Rich Guzman). Lets discuss how to ensure they are connected to the comm. plan.

By the way, I'd like to pursue using VTC for the regional briefings. Not necessarily for all, but for ones that makes sense. If RI affords us an hour or more, we can drive up there. We should VTC the ½ hour for RII, and whatever time we are allotted for RIV and RIII. We will offer to come to the regions later to brief regional management if requested.

Jimi,

Currently the Regional Folks are not represented in the Comm Team. I will make sure to invite them to future Comm Team meetings.

Regards,  
Richard

Thx. Jimi. I just want to verify the Regions (technical folks) are tied into the Comm Team.
