All,

I have recently taken over from Jon Barr as the SOARCA PM. I have been asked by my management to set up a meeting between the PRA and SOARCA folks in order to come up with options for management on how the SECY paper will recommend a path forward for either or both studies. Please let me know if there are more people I should include on this list.

I apologize for the short notice of this meeting.

Regards,  
Richard
