Randy,

Shawn told me that you were acting for him while he was out...one of the concerns that my management has on the SOARCA contract is the 219k in FY10 commitments. If possible, could you guys start billing us for those FY10 commitments? The Office of Research has an internal goal of trying to ensure that most FY10 dollars are spent (and billed) by 11/30. If you have any questions, please give me a call at 301-251-7980.

Thanks,
Richard

Richard,

Attached is the October Monthly Letter Status Report (MLSR) for the State-of-the-Art Reactor Consequence Analysis (SOARCA) project (JCN N6306).

Please let me know if you have any questions or concerns regarding this report.

Best regards,

Shawn
