My read of it is our comment would be that we would rather have an August Commission meeting instead of June...do you want me to double check with Kathy if that is our message moving forward?

So it stands as is and I'll tell Les not to change anything?

The only feedback is we were thinking of an August Commission meeting instead of June.

7/7 instead of 6/30 is okay. Comm Plan rev. 5 has been posted.

FYI

It looks like the SOARCA is being extended to 7/7/2011...I asked Greg to follow up since we asked for June 30, 2011 and will need to put the new rev 5 to the com plan on the website once it is approved.

Thanks!

**Importance:** High

Please review the attached list of items coming to the Commission for action/vote. SECY will be presenting this list to the Chairman to assist him in establishing his priorities for the next agenda planning session.

For each item:

- Is it an action/voting item?

- Is the due date correct?
- Are there any other papers that you are generating that will be coming for Commission action/voting that are not on the list? If you are not sure of exactly when you will be providing something, please give an estimated date. It is better to have it on the list and adjust the date if need be.

(Items in blue are for Commission meetings, and items in green are new and/or changed.)

Please confirm that the items for your office are correct and provide any other items that should be on the list through July 2011.

Please feel free to provide updates to these items at any time, as soon as you know something has changed and/or you are planning to send a new action/voting paper to the Commission. [Note that SECY is not adding staff generated items to the Commission Tracking System. We are only keeping them on the attached list.]

We appreciate your assistance and attention in putting together an accurate and comprehensive list of action items coming to the Commission.

Thank you,  
Rochelle
