FYI- I think our response should go to Les Cupidon instead of Pat Santiago.

Cheers,  
Richard

Actually this is Les Cupidon's ticket if you want to respond directly tomorrow morning. He is providing input back at noon I think.

FYI: Here is the SOARCA entry in the latest Commission tracking spreadsheet. I suppose OEDO or the Commission prefers 7/7/11 to 6/30/11 as the due date. Also, note that they are thinking of a Commission meeting in June (?). I thought that meeting would be in July/August. Perhaps we should run this by Pat tomorrow.

Please review the attached list of items coming to the Commission for action/vote. SECY will be presenting this list to the Chairman to assist him in establishing his priorities for the next agenda planning session.

For each item:

- Is it an action/voting item?
- Is the due date correct?
- Are there any other papers that you are generating that will be coming for Commission action/voting that are not on the list? If you are not sure of exactly when you will be providing something, please give an estimated date. It is better to have it on the list and adjust the date if need be.

(Items in blue are for Commission meetings, and items in green are new and/or changed.)

Please confirm that the items for your office are correct and provide any other items that should be on the list through July 2011.

Please feel free to provide updates to these items at any time, as soon as you know something has changed and/or you are planning to send a new action/voting paper to the Commission. [Note that SECY is not adding staff generated items to the Commission Tracking System. We are only keeping them on the attached list.]

We appreciate your assistance and attention in putting together an accurate and comprehensive list of action items coming to the Commission.

Thank you,  
Rochelle
