Subject:

Standby Trust Agreement Questions

**(NOTE: This will be used as the
Documents Title in ADAMS)**

9/14/2012 (16:28) Mr. Smith called to inform me that the Standby Trust Agreement (STA) was completed but he had a few questions about it before turning it in and would like to talk about it.

9/17/2012 (08:35) I contacted Mr. Smith. He confirmed that the STA was written using the standard language found in NUREG-1757, Vol. 3, Rev. 1. The financial institution had added a side letter which included the types of monetary instruments that would be accepted in the Standby Trust. I stated that I did not have a problem with that and asked Mr. Smith to send the documents to me for review. Mr. Smith wanted to send an email of the documents but I stated that I wanted to review the originally signed documents. Mr. Smith indicated that I should receive the documents later in the week.
