After internal discussion, we will not need the additional teleconference on this issue. Thank you for the coordination.

Cliff and Steve,

We'll have to schedule the teleconference sometime next week. Also it'll be very helpful to the staff if you can send us in advance and in writing (by e-mail) a summary of what's the clarification you need from the staff related to the revised P-T RAI.

Regards,

Cliff,

I believe I mentioned this to you last week. The staff revised the P-T limits RAI (see draft RAI 4.2.4-1 attached). The attached draft RAI 4.2.4-1 supersedes RAI 4.2.2-4 sent on May 31, 2012. Let me know if you need clarification and I'll schedule a telephone conference call.
