Richard,

- I wanted to give you an update. The contract for KC can be placed immediately after we receive information from Dycoda. Everything is in place at SNL right now.
- Nate has completed the 'revised MACCS chapter to reflect SRV.
- Nate has completed the write-up of the 'comparison study,' he is only addressing comments and should be finished with them by early next week.
- Contacted Karen about the RIC presentation.
- Putting together the MLSR for SOARCA and it may be late tonight before you get it. But it will be there.

Hope this helps.
Regards,

YMac
