Subject: RE: SOARCA dates for SNL

Pat,

No problem. Though the reason I was waiting to give Kathy these dates is because these are predicated on the extension request...I was holding off until the extension request got to the Commission. Could you please forward this to Kathy?

Here they are:

Dates for SNL:

Appendix A
Final Completion of Appendix A including incorporation of NRC Comments: 2/21

Appendix B:
Completion of Analyses and writeup for ISLOCA scenario (includes incorporation of NRC comments): 3/25
Final completion of Appendix B including incorporation of NRC Comments 4/1

Final Main Report (includes Sandia's concurrence):
4/26

Thanks,
Richard
