Elizabeth,

In order to accept this, all I need to do is submit a form 555 and 558 to you right?

Thanks,  
Richard

Elizabeth,

Attached is the completed 189 package with the requested modifications on both recent 173s, as well as from the discussion between Shawn Burns and Richard Chang (detailed on a 173 sent in November of 2010). Let me know if you have questions.

Regards,

**Subject:** NRC N6306 SOARCA Mod

Hello Samantha,

Attached is SOEW 60-11-161, modification to SOW, and T&C. This mod removes Subtask 3.1, the MELCOR analysis of ISLOCA calculation for Surry (The Surry ISLOCA calculation will be provided as NRC-furnished material) and reduces the overall contract ceiling by \$105K. Please include both this mod and the mod from Jan 4<sup>th</sup> for the revised 189.

Thanks,

Elizabeth Bowlin, MS
