No problem. Could you overnight the SRV files then? I can wait for the MLSR until your internet is fixed. By the way...NRC is operating on an unscheduled leave policy tomorrow.

Yvonne,

Could I ask you to resend this? For some reason the tables are misaligned....which makes it difficult to read. If it will take you more than 5 minutes to resend it, don't worry about it.

Also, could you let me know the total costs for December?

Thanks,  
Richard
