I will not be planning leave until we get to the public comment period.

Last week of may- early June will be the Peer Review Meeting.

Your thoughts when you can sometime this week....

If I plan to take leave how will it impact SOARCA. I don't want to miss a step.

In march, the week after the RIC and perhaps the week when March 30<sup>th</sup> hits,

The last week of may beginning of june I may go to PR

The week of Aug 13<sup>th</sup> I may have another week.

Also when are you planning on some leave.

thanks
