RE: *Freedom of Information Act Request-Georgia Power Drought Coordination with the NRC*

Dear Ms. Sealing:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, GreenLaw hereby requests a copy of all documents maintained regarding coordination between the Nuclear Regulatory Commission and Georgia Power or Southern Company to address drought conditions. This request includes, but is not limited to, all documents relating to drought conditions at Plant Hatch, including action steps corresponding to decreasing river elevations, and flow support from the Central Hydro Group.

You may contact me at 404-659-3122 or via email at (b)(6) to further discuss your response to this request. If you are responding after October 31, 2012, please ask for Ashten Bailey, or email her at abailey@greenlaw.org.

We are willing to pay for the copies of these documents and up to \$75 for this request; if the cost will be more, please contact me. Thank you very much for your consideration and prompt attention to this matter.

Sincerely,

Carmen Love
Legal Intern
