Yvonne,

I talked to Kyle and Jason about the need for a conference call about the Surry trip... Kyle told me that he thought a conference call was not needed. So in the interests of saving him time, I will not schedule a call with Sandia. Bob and I will be talking to Charlie on Wednesday, so we can share our insights with him then.

Thanks,
Richard

Richard,
Is there a call in number for this or should I reserve the one we use for SOARCA teleconferences?

Thanks,
Yvonne

I can be reached at home today and tomorrow and will be in the office on Thursday. I should be relatively available throughout. And yes, Charlie should be invited, how else are we going to know what we missed or did wrong.

I am planning on scheduling a teleconference to discuss to each other what we found on the Surry trip. Please let me know your availability this week. Should Charlie be in on this meeting?

Thanks,
