We'll go to Mike and 30 minutes should be fine.

Thanks,
Richard

Got it. Is 30 minutes enough? Mike offered to come over the CSB for the meeting. Do you want to do it there or here?

There's no rush, but for the TA brief, I'll need you to provide three or four proposed dates and times to send to SECY. I'll also need to send some background information to SECY when we make the request, like we sent in the attached e-mail for an SMR TA brief. You might have a copy of the information we sent for the last SOARCA briefing (it happened before I got here, so I don't). We could just update that and send it along.

Greg,

Let's go with 9-10. Shall I send a list of names from RES, or would you like me to make the appointment and work with Mike's assistant?

thanks

The week of February 21 is pretty busy – Monday's a holiday, he's at the PDC Tuesday and Wednesday, and his schedule is pretty full on Thursday. Can you guys support Friday, February 25? It looks like he's free from 9:00 to 10:00 and then 1:00 to 3:00. If Friday doesn't work, we might be able to try late in the day (after 4:00) on Tuesday or Wednesday.

Greg,

With that direction we would like to shoot for the week of February 21st for the DEDMRT brief and the following week (February 28th) for the Commission TAs. What time is Mike available during that first week?

Thanks,
Kenneth

I heard back from Mike. He wants his briefing to happen before the RIC. He stressed that he doesn't need anything fancy and that you don't need to prepare slides for him. He's really just interested in anything that's changed since the last briefing and current challenges. He also offered to come over to Church Street, rather than have you guys come to OWFN, if that makes things easier.

Greg,

The SOARCA staff is swamped with various items including preparing for the RIC would it be possible to brief the DEDMRT and Commission TAs after the RIC? Would sometime in early April work?

We are tentatively on the hook for 2/28/11
