Yes. I got up this morning to let you know I wanted to take liberal leave...but I guess I don't need to. Do you need to call me?

Kathy,

Yes it is an e-level milestone that we need to brief the Commission TAs...there is a ticket on that. Also, the Peer Review Person will be sending me their slides later today... though I am hesitant to make too many comments on the Peer Reviewer slides.

Thanks,  
Richard

Sorry yes I meant to send you comments but I got side tracked and actually this version addresses my comments. A couple questions:

Don't we have an action item to brief the TAs periodically? Shouldn't we mention that?

Do we know what the peer review person is going to say?

Kathy,

Could I please get your comments or okay on the Commissioner TA briefing request? Please note that it used to discuss the Schedule extension request...but since the extension request might not have gotten there yet, it was decided to not discuss it.

P.S.- I have a version with the extension request discussed if you would like to see that.

Thanks,  
Richard
