**Subject:** PRB Decision on Request for Immediate Action Re: FitzPatrick Emergency  
Enforcement Petition, March 9, 2012, (TAC No. ME8189)

Ms. Jessica Azulay,

On March 20, 2012, the Petition Review Board (PRB) met internally to discuss the request for immediate action. The PRB denied the request for immediate action to take emergency enforcement action to suspend the operating license for FitzPatrick because there was no immediate safety concern to FitzPatrick, or to the health and safety of the public.

In response to your request to address the PRB, the PRB is in the process of finalizing the date and time for the Public Meeting.

Thanks.
