Re: Indian Point Nuclear Generating Station, Unit 2 and Unit 3  
Docket Nos. 50-247-LR/50-286-LR; ASLBP No. 07-858-03-LR-BD01

Dear Administrative Judges:

On October 5, I filed a revised version of Dr. Duquette's reply testimony, amended to obviate the need for motion practice with Entergy on Contention NYS-5. Regretfully, I did not stamp the document with an exhibit stamp before filing (NYSR00399). This filing corrects that error.

Also, please find attached an unopposed motion to admit three new, recently generated documents as exhibits (NYS000443-NYS000445) in support of Contention NYS-37 and a revised exhibits list (NYSR17001).

Thank you for consideration of these documents.

Respectfully submitted,

*Signed (electronically) by*

Janice A. Dean  
Assistant Attorney General
