Mark,

The attached .pdf file, a scanned copy of the carbon copy of the original received by F. S. Gee NRC SFST (as indicated on page 2 of the letter), was scanned by me to send to ADAMS/DocProcessing. After multiple searches on several dates, I have been unable to locate evidence that the signed original was ever added to ADAMS.

Per e-mail correspondence from Mr. King (see below), please authorize the Document Control Desk to add the attached file to ADAMS as a "designated original".

Thank you.

Deb
