**Re: Entergy Nuclear Operations, Inc. (Indian Point Nuclear Generating Units 2 and 3),
Docket Nos. 50-247-LR, 50-286-LR**

Dear Administrative Judges:

Pursuant to your October 4, 2012 Order (Concerning Evidentiary Submission), herewith find Riverkeeper's Exhibit RIVR00058. As you pointed out, the document originally submitted as RIV000058 did not match the description on Riverkeeper's exhibit list and was inadvertently a duplicate of RIV000054. Per your directive, Riverkeeper re-files this exhibit with the correct document for its inclusion in the evidentiary record in the above-referenced proceeding. Riverkeeper's updated exhibit list (RIVR80001), also submitted herewith, reflects this correction and submission.

Please do not hesitate to contact me with any questions concerning this transmittal.

Respectfully submitted,
