Laurie,

Thank you for your assistance with NovaMed Corporation's Form 313 application (copy attached for reference). You have been very helpful with my questions and with educating me on the particulars.

At this time, I request a withdrawal of the application from consideration without prejudice. It is my understanding that it will be voided. The requirement to have a qualified RSO at the time of application is problematic for NovaMed at the moment. When we adequately resolve the issue, NovaMed expects to apply again.

I am hopeful that the entire license fee of \$6,400.00 can be returned to NovaMed in that not much work has been done in processing the application. I am also hopeful that when NovaMed applies in the future, the application can be assigned to you to review as I enjoy working with you.

Thanks again for your assistance and please let me know if this is not an acceptable written request for withdrawal.

Bob.
