Roger,  
Mike Wentzel (above) is our PM who handles all the hearing aspects for your IPEC hearings. I've briefed Mike on this and included him on the email so you and he can talk if you desire. All hearing-related items should just go through him.

Thanks!

**Subject:** IPEC Request for an LRA Conference Call - Buried Piping

John,

Would it be possible to have a conference call tomorrow (Wednesday) with yourself and Bill Holston to discuss buried piping as it relates to the buried piping section in the License Renewal SER? Specifically we want to clarify issues related to buried vs. underground piping and how to credit direct visual inspections when less than 10 feet of piping is exposed. Suggested times would be anytime between 11:00 AM to 12:30 PM or 3:00 to 4:00 PM.
