

Tier / Group	Randomly Selected K/A	Reason for Rejection
1 / 2 SRO	295034.A2.02	This K/A was rejected due to oversampling with the RO portion. A new K/A, 295013.A2.01, was selected by random generation.
2 / 2 SRO	201003.A2.07	This K/A was rejected due to oversampling with the RO portion. A new K/A, 204000.A2.03, was selected by random generation. (Typographical error corrected from 401-4 from outline submittal)
2 / 2 SRO	202001.A2.19	This K/A was rejected due to oversampling with the RO portion. A new K/A, 233000.A2.09, was selected by random generation.
2 / 1 RO	207000.K1.10	This K/A was rejected due to inability to write a discriminating question. A new K/A, 207000.K1.11, was selected by random generation.
2 / 1 RO	259002.A3.01	This K/A was rejected due to not being applicable to Dresden Station. A new K/A, 259002.A3.06, was selected by random generation.
1 / 1 RO	295021.G.2.4.47	This question was rejected due to not being able to write a discriminatory question. A new K/A, 295021.G.2.2.39, was selected by random generation.
1 / 1 RO	295006.G.2.2.4	This K/A was rejected due to not being able to write a discriminatory question. A new K/A, 295006.G.2.1.23, was selected by random generation.
2 / 1 RO	209001.G.2.4.11	This question was rejected due to not being able to write a discriminatory question. A new K/A, 209001.G.2.2.38, was selected by random generation.
1 / 1 RO	295016.A1.03	This K/A was rejected due to inability to write a question above LOD 1. A new K/A, 295016.A1.04, was selected by random generation.
1 / 2 SRO	295008.G.2.4.41	This K/A was rejected due to inability to write an EAL classification question. A new K/A, 295010.G.2.4.11, was selected by random generation.
1 / 1 SRO	295005.G.2.2.39	This K/A was rejected due to inability to write a one hour or less T.S. question. A new K/A, 295005.G.2.2.25, was selected by random generation.
3 SRO	Generic 2.2.42	This K/A was rejected due to inability to write a SRO level question. A new K/A, Generic 2.2.37, was selected by random generation.
3 SRO	Generic 2.1.6	This K/A was rejected due to inability to write a RO level question. A new K/A, Generic 2.1.20, was selected by random generation.
1 / 1 RO	295030.EA1.03	This K/A was rejected due to not being applicable to Dresden Station. A new K/A, 259030.EA1.05, was selected by random generation.
2 / 1 RO	223002.K4.02	This question was rejected due to not being able to write a discriminatory question. A new K/A, 223002.K4.08, was selected by random generation.
2 / 1 RO	215005.A2.01	This question was rejected due to not being able to write a discriminatory question. A new K/A, 215005.A2.03, was selected by random generation.
1 / 1 SRO	295021.2.4.9	This K/A was rejected due to oversampling with the RO portion. A new K/A, 295021.G.2.4.30, was selected by random generation.
3 SRO	Generic.2.4.50	This K/A was rejected due to inability to write a SRO level question. A new K/A, Generic.2.4.41, was selected by random generation.
2 / 1 RO	205000.A1.03	This K/A was rejected due to oversampling with the SRO portion. A new K/A, 205000.A1.08, was selected by random generation.

2 / 2 RO	215002.A4.01	This K/A was rejected due to not being able to write a discriminatory RO license level question. A new K/A, 215002.A4.03, was selected by random generation.
1 / 1 SRO	295023.AA2.03	This K/A was rejected due to oversampling of EAL conditions on the written exam. A new K/A, 295006.AA2.06, was selected by random generation.
2 / 2 RO	223001.A2.10	This K/A was rejected due to not being able to write a discriminatory RO license level question. A new K/A, 223001.A2.09, was selected by random generation.
1 / 1 SRO	295021.G.2.4.30	This K/A was rejected due to not being able to write a discriminatory SRO license level question. A new K/A, 295030.G.2.2.22, was selected by random generation.
