RE: Control # 577980
NRC License #21-04515-01

Sara Forster:

Please change Dr. Vaishampayan's authorization to include: "Iodine-125 for temporary implants to localize non-palpable lesions".
He is already an authorized user under 10 CFR 35.400.

If you have any questions, please contact Taljit Sandhu, Ph.D. at (313)-593-7564 or sandhut@Oakwood.org. We appreciate your prompt attention to this matter.

Sincerely,

Taljit S. Sandhu, Ph.D.

Dear Dr. Sandhu:

Thank you for your email. Unfortunately, however, we cannot accept a licensing request without the signature of either the Radiation Safety Officer or other duly authorized management official. Accordingly, for consideration of the request, please resubmit the below referenced letter as a pdf file, including signature and date. Thank you.

Sincerely yours,

Subject: Dr. Vaisampayan's authorization

As a follow up to our conversation, attached find a letter requesting a change in Dr. Vaishampayan's authorization to include I-125 temporary implant for non-palpable breast lesions.

Thank you.
